Five Sweet Strawberries

By Megan E. Bryant

Grosset & Dunlap
NEW YORK

I'm Strawberry Shortcake—
come with me!
Let's pick all the strawberries
we can see.

Five sweet strawberries, growing by my door.
We'll put them in our basket and go find more.

Four sweet strawberries,
near the apple tree.
Let's pick them together—
come on, follow me!

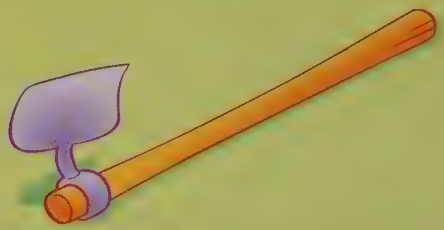
Three sweet strawberries—
look how big they grew!
They're bright red and juicy—
and berry yummy, too.

Two sweet strawberries,
growing in the sun.
Picking yummy strawberries
is always berry fun!

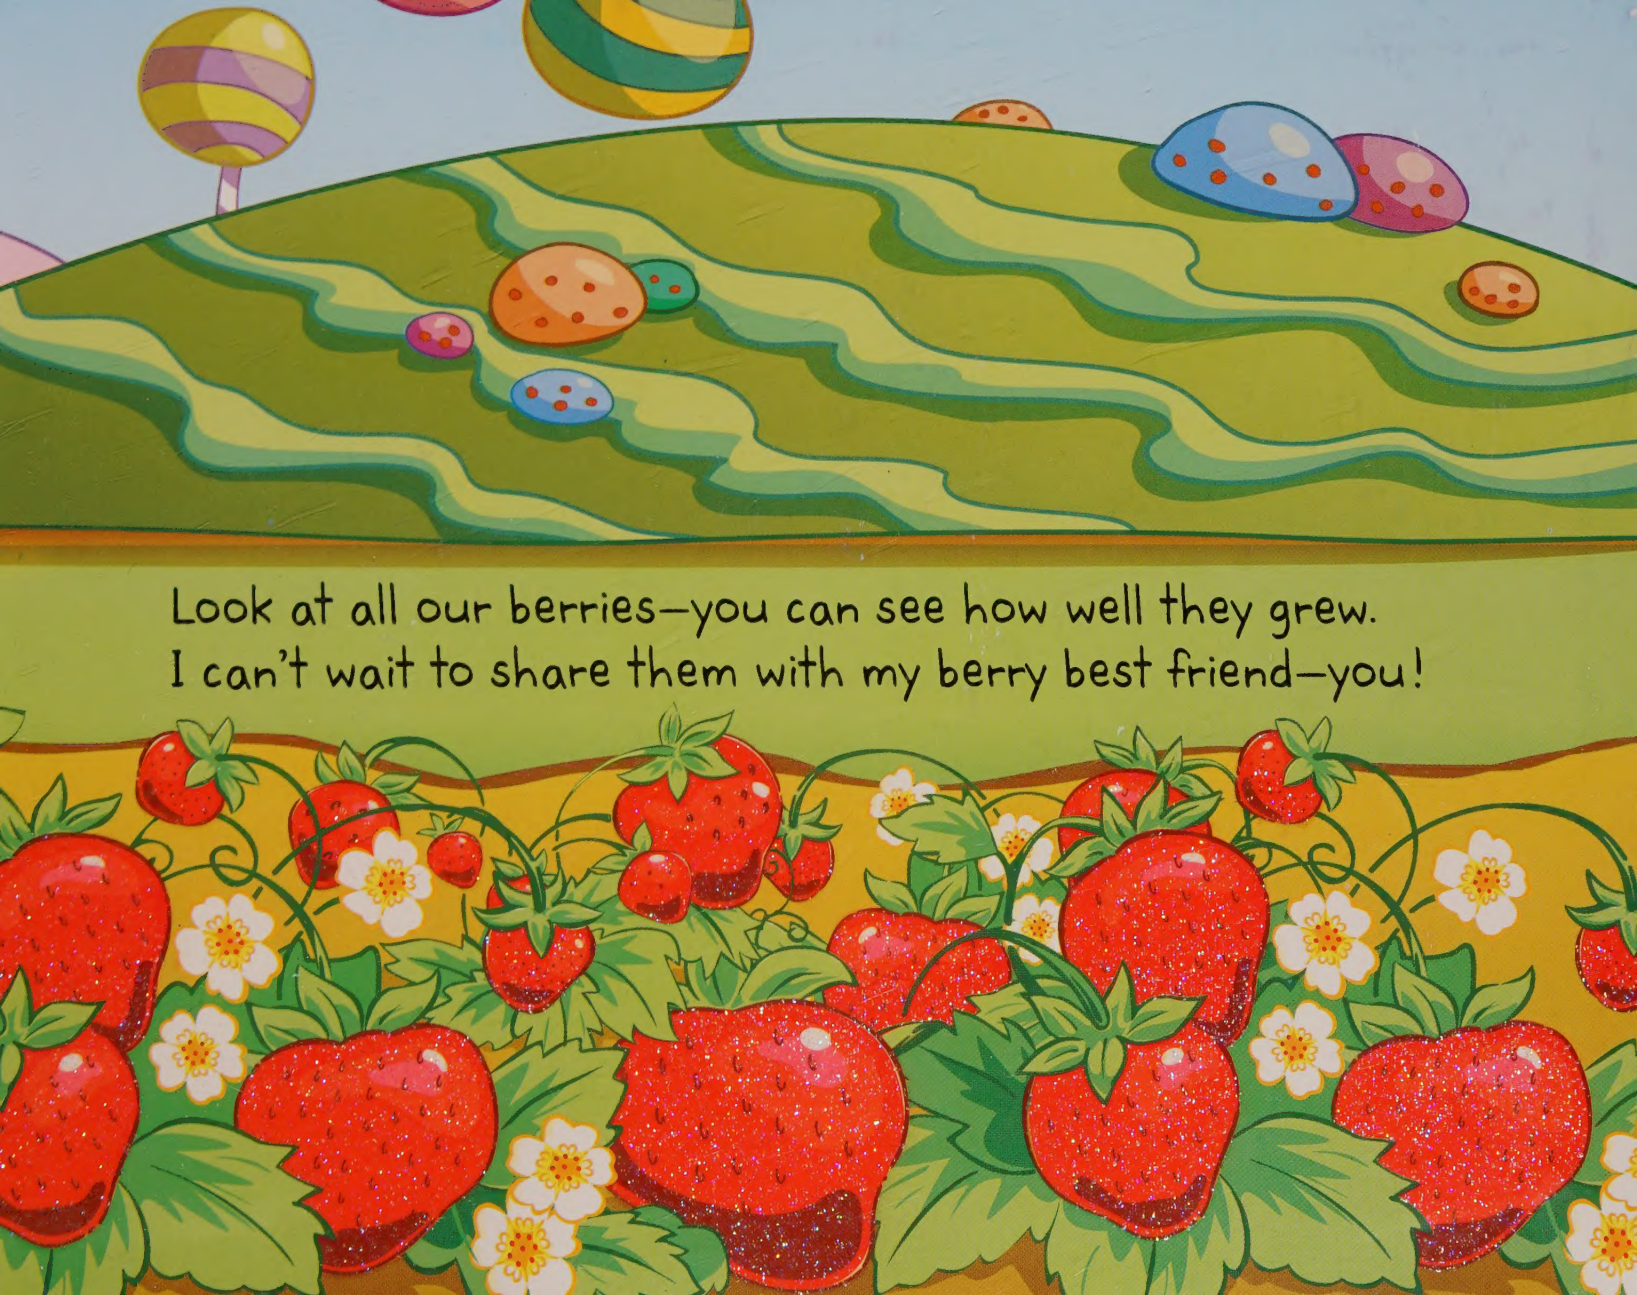
One sweet strawberry,
growing all alone.
We'll put it in our basket
before we go home.

We picked a lot of berries;
now we need to plant more seeds.
Let's use a trowel to dig some holes
and pull up all the weeds.

Now we'll cover the seeds
by using our hoe,
and give them fresh water
to help them grow.



Down from the sky shines the bright yellow sun,
as strawberry flowers appear one by one.



Look at all our berries—you can see how well they grew.
I can't wait to share them with my berry best friend—you!
